ARE YOU GETTING EXCITED FOR CAMP? WE CAN'T WAIT!

Did you know there are only 75 days until the first day of camp!

At North Woods and Pleasant Valley, we can't wait for summer to start!
What are some of the best reasons to be excited for camp?

- Going outside - in the woods, a field, or on the beach at the lakefront
- Making new friends -and meeting up with old ones too!
- Disconnecting from technology so you can connect with amazing people - your cabin mates, counselors, and staff
- Learning something new - have you tried Woodworking? Ropes? What new skill will you try to master this summer?

CAMP DOCS - our new online form system

Have you taken some time to complete your CampDocs forms for your camper yet? Please do so soon!

While these may take few minutes longer to complete than our old paper forms, our nursing staff will be much better prepared to assist you and your camper with CampDocs.

Read more about [Camp Docs here](#), and pre-packaged medication [information is available here](#).

(Yes, we know the immunization chart takes awhile! Sorry!)
