The CIT Program has been created to educate and train our young leaders to become effective and talented counselors!

The CIT’s role at camp is to learn about the YMCA’s mission and to learn how to effectively teach and counsel children. Although CITs will sometimes participate in a similar capacity to a full staff member, they will have less responsibility supervising campers with more emphasis on learning and training.

Upon completion of the CIT program at age 15, CIT participants will be ready for full employment as a Junior Camp Counselor with the YMCA. CITs will also have the opportunity to complete their volunteer hour requirements for school and will be able to begin to build work experience for their resume.

ALL KIDS HAVE POTENTIAL.
That’s why we support their academic, physical, and social-emotional development from cradle to career with holistic programs that eliminate the opportunity gap — they help kids realize who they are and all they can achieve.
