OUTDOOR EXPLORERS & BEAR CAMP CIT PROGRAMS

AGES 13-15

HALE: SESSIONS 2-10
BEAR: SESSIONS 2-11

The CIT Programs have been created to educate and train our young leaders to become effective and talented counselors! The CIT’s role at camp is to learn about the YMCA’s mission and to learn how to effectively teach and counsel children. Although CITs will sometimes participate in a similar capacity to a full time staff member, they will have less responsibility supervising campers with more emphasis on learning and training. Upon completion of the CIT program at age 15, CIT participants will be read for full employment as a Junior Camp Counselor with the YMCA. CITs will also have the opportunity to complete their volunteer hour requirements for school and will be able to begin to build work experience for their resume.

Outdoor Explorer CIT Program will take place at Hale Reservation fully encompassing an outdoor camp experience. The Bear CIT Program will take place at the Parkway Community YMCA and those participants will be accompanying the camp on field trips daily.
