## What should my child pack?

### Bathing suit and Towel

The children will be swimming daily and may play water games on the other days, so it is important that they always have their bathing suit with them.

### Extra Clothes

The children will be participating in a number of different activities. Please send your children with 2 additional changes of clothing.

### Sunscreen

The children will be out in the sun while they are in our care, and we want to ensure that their skin is protected. Children will be reminded to apply sunscreen at least twice during the day.
