# Caboteers Camp 2021

## What is a typical day like at Camp?

Camp is from 8:00am-5:00pm for full day campers and from 8:00am-12:30pm for half day campers Monday through Friday. We provide breakfast and lunch every day. Arts & Crafts, Sports, Archery and Swimming are just a few of the activities that a camper will partake in daily. For full day campers, we have a rest time indoors after lunch.

## Which age group does this camp service?

This camp is for campers ages 3&4 years old. All campers MUST be potty trained.

## What safety protocols will we be following this summer?

We continue to stay committed to the safety of your children and families by updating and adapting our safety policies per recommendations from the CDC, EEC, ACA and the State of Massachusetts guidelines. Safety is our top priority so thank you for your continued cooperation and patience.

## What should my camper bring to camp each day?

Campers should come to camp each day with the following items: Backpack, Sunscreen, Water bottle, Bathing Suit, Towel, Extra clothes, Snacks (nut free), Lunch (if preferred), Hat, Rain gear/Sweatshirt/weather appropriate clothing, blanket/rest time items. \*Please label EVERYTHING with your child's name

## What are the ratios for camp?

For our Caboteers camp we follow a 1:5 ratio.

## What happens when it rains?

We are an outdoor camp, so when it rains, we remain outside. We have multiple large event tents set up throughout our facility for shelter, as well as a large pavilion. In cases of extreme weather, we will transition the groups inside for safety. Please check the forecast and send your camper with rain gear when appropriate.

## Weekly Themes
