BEAR CAMP

AGES 5-12 SESSIONS 1-11

Campers at Bear Camp will have an amazing summer experience participating in activities such as swimming, arts and crafts, organized games and various structured activities. The learning that our campers partake in is a mix of fun, educational, hands-on and interactive. Bear Camp partners with the National Park Service which allows campers to become more comfortable playing in the natural world and to help them virtually explore the public lands and historical sites that the Greater Boston area has to offer. In addition to building community, fostering friendships and creating long-lasting memories, lunch is also provided at this camp.

BEAR CAMP CIT PROGRAMS

AGES 13-15 SESSIONS 1-11

The CIT Programs have been created to educate and train our young leaders to become effective and talented counselors! The CIT's role at camp is to learn about the YMCA's mission and to learn how to effectively teach and counsel children. Although CITs will sometimes participate in a similar capacity to a full time staff member, they will have less responsibility supervising campers with more emphasis on learning and training. Upon completion of the CIT program at age 15, CIT participants will be read for full employment as a Junior Camp Counselor with the YMCA. CITs will also have the opportunity to complete their volunteer hour requirements for school and will be able to begin to build work experience for their resume.
