DEDHAM ADVENTURE CAMP

AGES 5-13 SESSIONS 1-7

Dedham Adventure Camp is a two track Sports or STEAM Camp that includes Field Trips!

THE SPORTS TRACK is split up with a different sport being focused on each week. The children will spend the morning portion of the day practicing a skill or drill directly related to the sport, and playing mini games related to the drill. At the end of the day the children will have a chance to play the full game of that sport or a modified version of the full game depending on their skill level.

THE STEAM (SCIENCE, TECHNOLOGY, ENGINEERING, ARTS, AND MATH) TRACK explores different areas of STEAM each week, such as Shark/Ocean Week, Space Week, Energy week and more! Campers in this track will receive mini lessons relating to the theme of the week and will do mini science experiments related to that lesson throughout the day.

Both the Sports and STEAM camps will be taking field trips each week in order to enrich their day camp experience!

“I have never had such an amazing experience with any other place I have sent my twins to. All the staff, especially Dedham Adventure, goes above and beyond for my family.”
