“If SNAP benefits for November are delayed, what do I need to know?”

You can still use any leftover money on your EBT card in November.

WIC and school meal programs are still running.

State programs like TAFDC, EAEDC, and HIP can still be used (you need at least \$.01 on your EBT card to receive HIP benefits).

You still need to turn in your interim reports and recertifications on time.

When the delay ends, SNAP benefits will be added back for the missed time.
